

How to Create an ACH using existing Template

1. Login into Online Banking
2. Navigate to **Business Banking > ACH – Wires**

3. Select the template you wish to use and click on the pencil icon.

4. Make any changes necessary to the template name and select next.

- 5. Select the recipient of the ACH by checking the box next to the recipient name.
 - a. A new recipient may be added by selecting *New Recipient*.
 - b. Fill in the Recipient *Display Name* (this is the only required field.)
 - i. An option to send recipients notification when an ACH or Wire is sent is available. To use this option, enter an email address in *Email Address* field.
 - ii. If needed a separate name may be entered under the *ACH Name* and *Wire Name* fields.

The screenshot shows a web form titled "Add Jane Doe". At the top, there are two tabs: "Recipient Detail" (which is active and highlighted in blue) and "Account - New". Below the tabs, the form contains several input fields: "Display Name *" with "Jane Doe" entered; "ACH Name" and "Wire Name" (both empty); "ACH ID" (empty); "Email Address" with "example@example.com" entered; a checkbox for "Send email notifications for template payments" which is unchecked; "Country" with a dropdown menu showing "United States"; "Address 1" (empty); "Address 2" (empty); "City" (empty); "State" with a dropdown menu showing "Select State"; and "ZIP" (empty). At the bottom left, there is a note: "* - Indicates required field". At the bottom right, there are two buttons: "Cancel" and "Next" (which is highlighted in green).

- c. Select *Account – New* at the top of the screen

The screenshot shows the top portion of the "Add Recipient" form. The title "Add Recipient" is at the top. Below it, there are two tabs: "Recipient Detail" and "Account - New". The "Account - New" tab is selected and highlighted with a green oval.

- i. Choose which payment types will be allowed.
- ii. Enter the Account Detail information (Account Type, Account number and Bank Routing number)

- d. Once the account information is entered, you can Choose one of the following:
 - i. Use Without Save – allows recipient to be used for the one transaction but will not be saved for future use
 - ii. Save Recipient – allows recipient to be saved for future use
 - iii. Add Another account – allows another account to be tied to the recipient (EX: recipient has both a checking and saving)

- 6. Once the recipients are selected you can enter the amount and description for each recipient.
 - a. Unchecking the pay box will **withhold** that recipient from the file
 - b. Checking the Notify box will send an email notification to the recipient when the file is processed.
 - c. Selecting the 3 dashes icon will open a new screen that allows you to split payments for that recipient across multiple accounts.
 - d. Selecting the pages icon will create a duplicate recipient in the file
 - e. Selecting the pencil icon will allow you to edit the recipient’s information.

Note: To send a prenote, a \$0.00 amount can be entered.

Name	Account	Pay	Notify	Amount	Addendum			
<input checked="" type="checkbox"/> Jane Doe	123456789	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	0		☰	📄	✎
<input checked="" type="checkbox"/> John Smith	123456789	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	0		☰	📄	✎

7. Selecting Next will move you to the next step in the process which, if your business has subsidiaries, will allow you to select the business that will be sending the file. Simply click on the subsidiary that you would like to use, and select next.

Cancel Draft Approve

10. To create a Recurring ACH, select *Set Schedule*. A box containing options for recurrence will appear.

Important to Note: if the recurring effective date chosen falls on a Saturday, Sunday, or Holiday, the effective date will default to the previous available business day for Credit files and the next available business day for debit files.

11. A confirmation screen will appear. To view the details and print confirmation of the ACH select *View in Online Activity*. The ACH will now be sent to the bank for processing. **Note:** The file will only be sent to the bank for processing if the approve option is selected

Important to note: Only transactions in Authorized or Drafted Status can be canceled. Transactions that have processed are unable to be canceled.
