

Greetings,

October 16, 2018

We Have Exciting News to Share!

It is with great excitement that we would like to announce that Home Federal in Kasson will soon begin the construction of a beautiful new addition to our drive-up facility located at 502 South Mantorville Avenue. This addition will include two levels of office space as well as additional lobby space that, upon completion, will allow us to consolidate our two locations and operate solely out of our drive-up facility!

Lobby and Drive-Up Services in One Convenient Location

With the advancements in modern banking technology, the need for a separate lobby/office location and a separate drive-up location has decreased over the years. Moving our entire team and our full range of services into one location will enable us to serve all of your needs conveniently under one roof while providing the top-notch service you've come to expect from your local bankers here at Home Federal.

While we anticipate a mid-to-late summer 2019 completion of this project, we encourage you to keep up with construction updates and progress on our website at JustCallHome.com/Kasson and assure you that we will keep you updated should any major changes arise throughout the process.

A Change for Our Current Safe Deposit Box Clients

Safety Deposit Box clients of Home Federal should expect to see an additional mailing in the near future which will give specific, time sensitive instructions regarding the contents of your box.

What Will Happen to the Downtown Location?

We are also excited to announce the sale of our main street building to CM Squared Properties, LLC., which is owned by Chris and Candy McKern. The McKerns currently own other properties on Main Street and share in Home Federal's commitment to the Kasson and Mantorville communities. We're looking forward to seeing what they have in store for the space!

During the Transition...

We understand this transition may bring about some questions and concerns, but rest assured that we remain committed to providing uninterrupted service to you as a valued client of Home Federal, as well as continuing to be a strong presence in our community. With that said, should you have any questions, please feel free to contact any member of our staff at 507.634.7022.

We hope you will share in our excitement and anticipation for this wonderful new addition to Home Federal and appreciate you trusting us with your financial needs!

Regards,

Your Kasson Home Federal Team
