Responsibilities

The Audit Committee recognizes that preparation of the Company's financial statements and other financial information is the responsibility of the Company's management and that the auditing, or conducting reviews, of those financial statements and other financial information is the responsibility of the Company's registered public accounting firm. The Audit Committee's responsibility is to oversee management and the outside auditors in regard to the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company.

The Company's management, and its registered public accounting firm, in the exercise of their responsibilities, acquire greater knowledge and more detailed information about the Company and its financial affairs than members of the Audit Committee. Consequently, the Audit Committee is not responsible for providing any expert or special assurance as to the Company's financial statements and other financial information or any professional certification as to the registered public accounting firm's work, including without limitation its reports on and reviews of the Company's financial statements and other financial information.

Oversight of Registered Public Accounting Firm

1. The Audit Committee shall be directly responsible, subject to stockholder ratification, for the appointment, retention, compensation, evaluation, termination and oversight of the work of the registered public accounting firm (including resolution of disagreements between management and the registered public accounting firm regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The Audit Committee shall have sole authority to approve all audit engagement fees and terms and any non-audit engagements of the registered public accounting firm, subject to the provisions of any policy regarding pre-approval of non-audit services. The registered public accounting firm shall report directly to the Audit Committee. The Company shall provide appropriate funding, as determined by the Audit Committee, for payment of compensation to any accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company.
2. The Audit Committee shall pre-approve all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its registered public accounting firm, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act. The Audit Committee may delegate authority to one or more members of the Audit Committee, who are independent directors of the Board, the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such member(s) shall be presented to the full Audit Committee at its next scheduled meeting. The Audit Committee may establish policies and procedures regarding the engagement of the

registered public accounting firm to render services to the Company, provided the policies and procedures are detailed as to the particular service, the Audit Committee is informed of each service and the pre-approval policies and procedures do not include the delegation of the Audit Committee responsibilities to management. If pre-approval policies and procedures are adopted, the Company may engage the registered public accounting firm to perform services consistent with the policies and procedures. When pre-approving non-audit services, the Audit Committee should consider whether the provision of the non-audit services by the registered public accounting firm is compatible with maintaining the registered public accounting firm's independence.

Authority to Engage Independent Advisors

The Audit Committee shall have the authority to retain independent counsel and other legal, accounting or other advisors as it determines necessary to carry out its duties. The Company shall provide appropriate funding, as determined by the Audit Committee, for payment of compensation to any advisors employed by the Audit Committee.
