Dear Safe Deposit Box holder,

By now, you've probably heard our exciting news regarding our two Kasson Home Federal locations consolidating into one improved location at our drive-up facility located at 502 S Mantorville Ave. This information, along with the sale of our main street building, were referenced in a previous notification.

**A Change for Safe Deposit Box Holders in Kasson**

We're writing to inform you that, with the transition process of moving to the newly updated facility, we will be discontinuing our safe deposit box services in Kasson. As you can imagine, with the advancements in technology, in-home safes, and scanning/electronic documents, there is a significant decrease not only in the need to have a safe deposit box, but in the number of clients actually using this service.

**Safe Deposit Boxes Must Be Cleared Out by End of the Year**

Even though we are expanding our Mantorville Ave. facility, we will not be moving safe deposit boxes to the new addition and are requiring that all safe deposit boxes be closed by 12/31/2018.

**We request that you come in, remove the contents of your box, and close it by the close of business (4:30 PM) on 12/31/2018 to avoid any potential drilling and fees. Any contents that are not claimed by this date will be turned over to the State of Minnesota Unclaimed Property Division.**

**Get a Free Annual Rental of a Safe Deposit Box at Another Home Federal Location**

Because we are discontinuing the safe deposit box services in Kasson, you will not be receiving the annual billing notice that you normally receive in December. If you still require this service, safe deposit boxes are available at several other Home Federal locations. As a courtesy, we would like to offer you one free year\* of rent for a safe deposit box at any one of our other applicable Home Federal branches simply by showing this letter upon box rental.

**Set Up an Appointment to Close/Move Your Safe Deposit Box**

If you have any questions, or if you'd like to set up an appointment to remove the contents of your safe deposit box in Kasson and/or to set up a box at another Home Federal location, please feel free to contact one of our bankers at (507) 634-7022 and we will be happy to assist you. We hope you'll share in our excitement with the transition to our new and improved Mantorville Ave. location! The new facility will be a beautiful addition to the community.
